

Date: November 16, 2020

To: Prospective Respondents

From: Julia Halsted, Deputy Director of Operations

Re: RFP 20201116: Digital Orthophotography – Addendum 1

---

- WinGIS can provide a shapefile of the project area.
- WinGIS has 127 ground control monuments.
- WinGIS has contours from 2007 that were derived from a Lidar project in 2006.
- WinGIS would prefer onshore and local providers.

Any questions should be in writing to the Designated Procurement Contact, Julia Halsted, Deputy Director of Operations, at [jhalsted@r1planning.org](mailto:jhalsted@r1planning.org)
