96 **6. EVALUATION:** Agency staff and designees determine how well Responses meet the Responsiveness requirements  
97 and will deem Proposals either subject to further review or rejected. Respondents who fail to meet minimum  
98 requirements, will not be considered for price evaluation and award.

99 The response will generally evaluate based on categories of information: Responsiveness, Productive Use and Feasibility.

100 **7. RESPONSIVENESS:** A Responsive Respondent is one who submits a Proposal that conforms in all material respects  
101 to the Request for Proposal, and includes **all required** forms.

102 a. The Agency will determine whether the Proposal meets the stated requirements. Minor differences or  
103 deviations that have negligible impact on the price or suitability of the project may be accepted or corrections  
104 allowed. If no Respondent meets a particular requirement, the requirement may be waived.

105 b. The Agency will determine whether the Proposal complied with the instructions for submitting Proposals. Except  
106 for late submissions, and other requirements that by law must be part of the submission, Agency may require  
107 that a Respondent correct deficiencies as a condition of further evaluation.

108 **8. RESPONSIBILITY:** A responsible Respondent is one who has the capability in all respects to perform fully the contract  
109 requirements and who has the integrity and reliability that will assure good faith performance. Agency determines

110 whether the Respondent is a “responsible” Respondent; a Respondent with whom the Agency can or should do  
111 business. For example, the Agency may consider the following:

- 112 a. A “prohibited bidder” includes any person assisting an employee of RPC by reviewing, drafting, directing, or  
113 preparing any invitation for bids, a request for proposal, or request of information, or providing similar  
114 assistance unless such assistance was part of a publicly issued opportunity to review drafts of all or part of these  
115 documents. For purposes of this section, an employee of RPC means one who, by the nature of his or her duties,  
116 has the authority to participate personally and substantially in the decision to award a contract. No such person  
117 or business shall submit specifications to an agency unless requested to do so by RPC. No person or business  
118 that contracts with the agency to write specifications for a particular procurement need shall submit a bid or  
119 proposal or receive a contract for that procurement need.
- 120 b. Nothing herein is intended to prohibit a Buyer from bidding or a Proposal from supplying developing technology,  
121 goods or services after providing RPC with a demonstration of the developing technology, goods, or services;  
122 provided the subject of the demonstration to RPC represents industry trends and innovation and is not  
123 specifically designed to meet RPC's needs. Nothing herein is intended to prohibit a person or business from  
124 submitting a bid or Proposal or entering into a contract if the person or business: (i) initiates a communication  
125 with an employee to provide general information about products, services, or industry best practices and, if  
126 applicable, that communication is documented in accordance with Section 50-39 of the Illinois Procurement  
127 Code or (ii) responds to a communication initiated by an employee of RPC for the purposes of providing  
128 information to evaluate new products, trends, services, or technologies.
- 129 c. Other factors that the Agency may evaluate to determine responsibility include, but are not limited to: political  
130 contributions, certifications, conflict of interest, financial disclosures, taxpayer identification number, past  
131 performance in business or industry, references (including those found outside the Proposal), compliance with  
132 applicable laws, financial responsibility, insurability, effective equal opportunity compliance, payment of  
133 prevailing wages if required by law, capacity to produce or sources of supply, and the ability to provide required  
134 maintenance service or other matters relating to the Respondent’s ability to deliver in the quality and quantity  
135 within the time and price as specified in this solicitation.
- 136 d. Awarded Respondents must at all times have financial resources sufficient, in the opinion of the Agency, to  
137 ensure performance of the contract and must provide proof upon request. RPC may require a performance  
138 bond if, in the opinion of Agency, it ensures performance of the contract. Agency may terminate the contract,  
139 consistent with the termination for cause provision of the contract, if the Buyer lacks the financial resources to  
140 perform under the contract.
- 141 e. RPC may require that a Respondent correct any deficiencies as a condition of further evaluation.

## ACKNOWLEDGEMENT OF TERMS

*Attached this form to your response.*

1. **PUBLICATION:** RPC publishes procurement information, including solicitations, awards, and amendments, to its website <http://r1planning.org/procurement> and large purchases to DemandStar at [www.demandstar.com](http://www.demandstar.com). Respondent is responsible for monitoring the site for updated information. RPC will not be held responsible if Respondent fails to receive optional update notices. Use of DemandStar to submit a response is voluntary. RPC continues to accept responses outside DemandStar. If RPC provides information on its website that is different or in conflict with the information entered in DemandStar, then the information on the RPC website is presumed to represent RPC's intent.
2. **TERM OF CONTRACT:** The prospective contract has an initial term of 12 months. If a start date is not identified, then the term shall commence upon the last dated signature of the Parties.
3. In no event will the total term of the contract, including the initial term, any renewal terms and any extensions, exceed ten (10) years. Any renewal of the contract is subject to the same terms and conditions as those which apply to the initial term of the contract. Agency may renew the contract for any or all of the option periods specified, may exercise any of the renewal options early, and may exercise more than one option at a time based on continuing need and favorable market conditions, when in the best interest of the Agency. The contract may neither renew automatically nor renew solely at the Buyer's option.
4. **TERMINATION FOR CAUSE:** Agency may terminate the contract, in whole or in part, immediately upon notice to the Buyer if: (a) Agency determines that the actions or inactions of the Buyer, its agents, employees or subcontractors have caused, or reasonably could cause, jeopardy to health, safety, or property, or (b) the Buyer has notified Agency that it is unable or unwilling to perform the contract.
  - a. If Buyer fails to perform any material requirement of the contract to Agency satisfaction, it is in violation of a material provision of the contract. If Agency determines that the Buyer lacks the financial resources to perform the contract, then Agency shall provide written notice to the Buyer to cure the problem identified within the period of time specified in RPC's written notice. If not cured by that date Agency may either: (a) immediately terminate the contract without additional written notice or (b) enforce the terms and conditions of the contract.
  - b. For termination due to any of the causes contained in this Section, RPC retains its rights to seek any available legal or equitable remedies and damages.
5. **TERMINATION FOR CONVENIENCE:** Agency may, for its convenience and with thirty (30) days' prior written notice to Buyer, terminate the contract in whole or in part and without payment of any penalty or incurring any further obligation to the Buyer. Upon submission of invoices and proof of claim, the Buyer shall be entitled to compensation for supplies and services provided in compliance with the contract up to and including the date of termination.
6. **AVAILABILITY OF APPROPRIATION:** The contract is contingent upon and subject to the availability of funds. Agency, at its sole option, may terminate or suspend the contract, in whole or in part, without penalty or further payment being required, if (1) the Illinois General Assembly or the Federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason (30 ILCS 500/20-60), (2) the funding governmental entity decreases the Agency's funding by reserving some or all of the Agency's appropriation(s), or (3) the Agency determines, in its sole discretion that a reduction is necessary or advisable based upon actual or projected budgetary considerations. Contractor will be notified in writing of the failure of appropriation or of a reduction or decrease.

- 184 7. **ASSIGNMENT:** The contract may not be assigned or transferred in whole or in part by Buyer without the prior  
185 written consent of Agency.
- 186 8. **AUDIT/RETENTION OF RECORDS:** Buyer and its subcontractors shall maintain books and records relating to the  
187 performance of the contract and any subcontract necessary to support amounts charged to RPC pursuant the  
188 contract or subcontract. Books and records, including information stored in databases or other computer systems,  
189 shall be maintained by the Buyer for a period of three (3) years from the later of the date of final payment under  
190 the contract or completion of the contract, and by the subcontractor(s) for a period of three (3) years from the  
191 later of final payment under the term or completion of the subcontract. If Federal funds are used to pay contract  
192 costs, the Buyer and its subcontractors must retain their respective records for five (5) years. Books and records  
193 required to be maintained under this section shall be available for review or audit by representatives of: the  
194 procuring Agency or other governmental entities with monitoring authority, upon reasonable notice and during  
195 normal business hours. Buyer and its subcontractors shall cooperate fully with any such audit and with any  
196 investigation conducted by any of these entities. Failure to maintain books and records required by this section  
197 shall establish a presumption in favor of RPC for the recovery of any funds paid by RPC under the contract or any  
198 subcontract for which adequate books and records are not available to support the purported disbursement. The  
199 Buyer or subcontractors shall not impose a charge for audit or examination of the Buyer's or subcontractor's books  
200 and records. 30 ILCS 500/20-65.
- 201 9. **TIME IS OF THE ESSENCE:** Time is of the essence with respect to Buyer's performance of the contract. Buyer shall  
202 continue to perform its obligations while any dispute concerning the contract is being resolved unless otherwise  
203 directed by RPC.
- 204 10. **NO WAIVER OF RIGHTS:** Except as specifically waived in writing, failure by a Party to exercise or enforce a right  
205 does not waive that Party's right to exercise or enforce that or other rights in the future.
- 206 11. **FORCE MAJEURE:** Failure by either Party to perform its duties and obligations will be excused by unforeseeable  
207 circumstances beyond its reasonable control and not due to its negligence including acts of nature, acts of  
208 terrorism, riots, labor disputes, fire, flood, explosion, and governmental prohibition. The non-declaring Party may  
209 cancel the contract without penalty if performance does not resume within thirty (30) days after the declaration.
- 210 12. **CONFIDENTIAL INFORMATION:** Respondent should provide a redacted copy of the Proposal, if applicable, that  
211 removes material considered to be a trade secret or competitively sensitive, confidential, or proprietary. Each  
212 Party to the contract, including its agents and subcontractors, may have or gain access to confidential data or  
213 information owned or maintained by the other Party in the course of carrying out its responsibilities under the  
214 contract. Buyer shall presume all information received from RPC or to which it gains access pursuant to the  
215 contract is confidential. Buyer information, unless clearly marked as confidential and exempt from disclosure  
216 under the Illinois Freedom of Information Act, shall be considered public. No confidential data collected,  
217 maintained, or used in the course of performance of the contract shall be disseminated except as authorized by  
218 law and with the written consent of the disclosing Party, either during the period of the contract or thereafter.  
219 The receiving Party must return any and all data collected, maintained, created or used in the course of the  
220 performance of the contract, in whatever form it is maintained, promptly at the end of the contract, or earlier at  
221 the request of the disclosing Party, or notify the disclosing Party in writing of its destruction. The foregoing  
222 obligations shall not apply to confidential data or information lawfully in the receiving Party's possession prior to  
223 its acquisition from the disclosing Party that were received in good faith from a third-party not subject to any  
224 confidentiality obligation to the disclosing Party; that is now or later becomes publicly known through no breach  
225 of confidentiality obligation by the receiving Party; or that is independently developed by the receiving Party  
226 without the use or benefit of the disclosing Party's confidential information.

- 227 **13. USE AND OWNERSHIP:** All work performed or supplies created by Buyer under the contract, whether written  
228 documents or data, goods or deliverables of any kind, shall be deemed work-for-hire under copyright law and all  
229 intellectual property and other laws. RPC does waive its right to sole and exclusive ownership for all such work,  
230 unless otherwise agreed in writing. Buyer acknowledges RPC may use the work product for any purpose.  
231 Confidential data or information contained in such work shall be subject to the confidentiality provisions of the  
232 contract.
- 233 **14. INDEMNIFICATION AND LIABILITY:** The Buyer shall indemnify and hold harmless RPC, its agencies, officers,  
234 employees, agents and volunteers from any and all costs, demands, expenses, losses, claims, damages, liabilities,  
235 settlements, and judgments, including in-house and contracted attorneys' fees and expenses, arising out of: (a)  
236 any breach or violation by Buyer of any of its certifications, representations, warranties, covenants or agreements;  
237 (b) any actual or alleged death or injury to any person, damage to any real or personal property, or any other  
238 damage or loss claimed to result in whole or in part from Buyer's negligent performance; (c) any act, activity or  
239 omission of Buyer or any of its employees, representatives, subcontractors or agents; or (d) any actual or alleged  
240 claim that the services or goods provided under the contract infringe, misappropriate, or otherwise violate any  
241 intellectual property (patent, copyright, trade secret, or trademark) rights of a third party. Neither Party shall be  
242 liable for incidental, special, consequential, or punitive damages.
- 243 **15. INDEPENDENT CONTRACTOR:** Buyer shall act as an independent contractor and not an agent or employee of, or  
244 joint venture with RPC. All payments by RPC shall be made on that basis.
- 245 **16. SOLICITATION AND EMPLOYMENT:** Buyer shall not employ any person employed by RPC during the term of the  
246 contract to perform any work under the contract. Buyer shall give notice immediately to the Agency's director if  
247 Buyer solicits or intends to solicit RPC employees to perform any work under the contract.
- 248 **17. BACKGROUND CHECK:** Whenever RPC deems it reasonably necessary for security reasons, RPC may conduct, at  
249 its expense, criminal and driver history background checks of Buyer's and subcontractor's officers, employees or  
250 agents. Buyer or subcontractor shall immediately reassign any individual who, in the opinion of RPC, does not pass  
251 the background checks.
- 252 **18. APPLICABLE LAW:** The Buyer, its employees, agents, and subcontractors shall comply with all applicable Federal,  
253 State, and local laws, rules, ordinances, regulations, orders, Federal circulars and all license and permit  
254 requirements in the performance of the contract. Buyer shall be in compliance with applicable tax requirements  
255 and shall be current in payment of such taxes. Buyer shall obtain at its own expense, all licenses and permissions  
256 necessary for the performance of the contract. Furthermore, the contract shall be construed in accordance with  
257 and is subject to the laws and rules of RPC.
- 258 **19. EQUAL OPPORTUNITY:** The Department of Human Rights' Equal Opportunity requirements are incorporated by  
259 reference. 44 ADM. CODE 750.
- 260 **20. OFFICIAL TEXT:** The official text of the statutes cited herein is incorporated by reference.
- 261 **21. ANTI-TRUST ASSIGNMENT:** If Buyer does not pursue any claim or cause of action it has arising under Federal or  
262 State antitrust laws relating to the subject matter of the contract, then upon request of the Illinois Attorney  
263 General, Buyer shall assign to RPC all of Buyer's rights, title and interest in and to the claim or cause of action.
- 264 **22. CONTRACTUAL AUTHORITY:** The Agency that signs the contract on behalf of RPC shall be the only entity  
265 responsible for performance and payment under the contract. When an Agency representative signs, they do so  
266 as approving officer and shall have no liability to Buyer.
- 267 **23. EXPATRIATED ENTITIES:** Except in limited circumstances, no business or member of a unitary business group, as  
268 defined in the Illinois Income Tax Act, shall submit a bid for or enter into a contract with the Agency if that business  
269 or any member of the unitary business group is an expatriated entity.

- 270 **24. NOTICES:** Notices and other communications provided for herein shall be given in writing via electronic mail  
271 whenever possible. If transmission via electronic mail is not possible, then notices and other communications shall  
272 be given in writing via registered or certified mail with return receipt requested, via receipted hand delivery, via  
273 courier (UPS, Federal Express or other similar and reliable carrier), showing the date and time of successful receipt.  
274 Notices shall be sent to the individuals who signed the contract using the contact information following the  
275 signatures. Each such notice shall be deemed to have been provided at the time it is actually received. By giving  
276 notice, either Party may change its contact information.
- 277 **25. MODIFICATIONS AND SURVIVAL:** Amendments, modifications, and waivers must be in writing and signed by  
278 authorized representatives of the Parties. Any provision of the contract officially declared void, unenforceable, or  
279 against public policy, shall be ignored and the remaining provisions shall be interpreted, to the extent possible, to  
280 give effect to the Parties' intent. All provisions that by their nature would be expected to survive, shall survive  
281 termination. In the event of a conflict between RPC's and the Buyer's terms, conditions and attachments, RPC's  
282 terms, conditions, and attachments shall prevail.
- 283 **26. PERFORMANCE RECORD/SUSPENSION:** Upon request of RPC, Buyer shall meet to discuss performance or provide  
284 contract performance updates to help ensure proper performance of the contract. RPC may consider Buyer's  
285 performance under the contract and compliance with law and rule to determine whether to continue the contract,  
286 whether to suspend Buyer from doing future business with RPC for a specified period of time, or whether Buyer  
287 can be considered responsible on specific future contract opportunities.
- 288 **27. FREEDOM OF INFORMATION ACT:** The contract and all related public records maintained by, provided to, or  
289 required to be provided to RPC are subject to the Illinois Freedom of Information Act notwithstanding any  
290 provision to the contrary that may be found in the contract. 5 ILCS 140.
- 291 **28. WARRANTIES FOR SUPPLIES AND SERVICES**
- 292 a. Buyer warrants that the supplies furnished under the contract will: (a) conform to the standards,  
293 specifications, drawings, samples or descriptions furnished by RPC or furnished by the Buyer and agreed to by  
294 RPC, including but not limited to all specifications attached as exhibits hereto; (b) be merchantable, of good  
295 quality and workmanship, and free from defects for a period of twelve months or longer if so specified in

297 ordinances pertaining to the manufacturing, packing, labeling, sale, and delivery of the supplies; (d) be of good  
298 title and be free and clear of all liens and encumbrances and; (e) not infringe any patent, copyright or other  
299 intellectual property rights of any third party. Buyer agrees to reimburse RPC for any losses, costs, damages  
300 or expenses, including without limitation, reasonable attorneys' fees and expenses arising from failure of the  
301 supplies to meet such warranties.
- 302 b. Buyer shall ensure that all manufacturers' warranties are transferred to RPC and shall provide to RPC copies  
303 of such warranties. These warranties shall be in addition to all other warranties, express, implied, or statutory,  
304 and shall survive RPC's payment, acceptance, inspection, or failure to inspect the supplies.
- 305 c. Buyer warrants that all services will be performed to meet the requirements of the contract in an efficient  
306 and effective manner by trained and competent personnel. Buyer shall monitor the performance of each  
307 individual and shall immediately reassign any individual who does not perform in accordance with the  
308 contract, who is disruptive or not respectful of others in the workplace, or who in any way violates the contract  
309 or State policies.

310 **29. REPORTING, STATUS AND MONITORING SPECIFICATIONS:** Buyer shall immediately notify RPC of any event that  
311 may have a material impact on Buyer's ability to perform the contract.

312 **30. EXCEPTIONS AND PROVISIONS.** Exceptions (*if applicable*) must be provided on the Acceptance of Terms form or  
313 must be in a substantially similar format. RPC discourages taking exceptions. State law shall not be circumvented  
314 by the exception process. Exceptions may result in rejection of the Proposal. Additional terms and conditions to

## REQUEST FOR PREFERENCE FORM

The Illinois Procurement Code provides various preferences to promote business opportunities in Illinois. Does Respondent make any claims for preferences?
