Re: Pre-Response Questions and Agency Response

For disclosure purposes, please be advised that a pre-submission teleconference was held on Wednesday, March 30, 2022, at 11:15 am. The agenda included an introduction of staff, a verbal summary of the RFP, and an invitation for questions. The questions and answers were as follows.

Question: How would a sub-contractor go about connecting with the awarded general contractor?

Answer: A notice of award will be posted identifying the chosen vendor. Sub-contractors would need to contact the general contractor to sub-contract elements of the project.
