ABOUT R1

Region 1 Planning Council (R1) is a *special-purpose, regional government agency*. Regional councils are public organizations comprised of local elected officials that promote collaboration among local governments, working across the jurisdictional silos of states, counties, and municipalities. R1 supports a well-informed, comprehensive dialogue that holistically addresses regional issues by fulfilling the needs of government entities for long-range planning, securing funding, and analyzing and providing data in support of regional projects and initiatives.

SCOPE OF WORK

The agency is seeking qualified respondent to complete a study for the signal timing and coordination along Riverside Boulevard. The corridor spans from the western termination (Central Avenue) to the eastern limits of the City of Loves Park (Argyle Road), roughly nine (9) miles in length. The corridor falls under the jurisdiction of several agencies, including the City of Rockford, City of Loves Park, and Winnebago County and is a strategic regional arterial. The study area is shown below in Figure 1.

The selected firm will be expected to develop and submit a traffic signal timing and coordination study providing the data and recommendations needed to make an informed and responsible determination on the most effective types of improvements along the corridor. The firm shall provide the following services:

- Traffic analysis of specific signalized intersection along the corridor; approximately 20 intersections.
- Recommendations for timing schedules scenarios and/or options for the Riverside Boulevard corridor;
- Hardware and software upgrade and/or replacement recommendations; and
- Implementation cost estimates with implementation phases, if applicable.

The final signal timing plan for the corridor shall include recommendations that address the following goals:

1. Improved traffic flow to minimize vehicular delay and maximize throughput and continuous flow along the corridor and improve turning movement efficiency.

2. Traffic signal timing scenarios for:
 - a. Peak travel times for both weekday and weekend times;
 - b. Off-peak travel times for both weekday and weekend times; and
 - c. Special events.

Additionally, considerations of transit signal prioritization and emergency vehicle preemption may be included.

3. Increased safety for all users through the reduction in the amount and severity of crashes at the intersections along the corridor. Improved bicycle and pedestrian crossing accommodations shall also be considered in timing scenarios, at specific intersections.
4. Develop a set of performance measures and criteria that can be used to assess the signal timing on an on-going basis.

7. EVALUATION: R1 determines how well Responses meet the Responsiveness requirements. R1 will rank Proposals, without consideration of price, from best to least qualified using a point ranking system (unless otherwise specified) as an aid in conducting the evaluation. Respondents who fail to meet minimum requirements or who receive fewer than the minimum required points, if any, will not be considered for price evaluation and award.

R1 evaluates three categories of information: Responsiveness, Responsibility, and Price. R1 considers the information provided and the quality of that information when evaluating Proposals. If R1 finds a failure or deficiency, R1 may reject the Proposal or reflect the failure or deficiency in the evaluation.

4a. Evaluation Criteria. R1 determines how well Responses meet the Responsiveness requirements. R1 will rank Proposals, without consideration of price, from best to least qualified based on the criteria outlined below with the assigned point values, out of 100:

- Project Understanding (20)
- Technical Approach (30)
- Firm Experience (20)
- Specialized Expertise/Capabilities (20)
- Past Performance (10)

8. RESPONSIVENESS: A Responsive Respondent is one who submits a Proposal that conforms in all material respects to the Request for Proposal, and includes **all required** forms.

- a. R1 will determine whether the Proposal meets the stated requirements. Minor differences or deviations that have negligible impact on the price or suitability of the supply or service to meet R1’s needs may be accepted or corrections allowed. If no Respondent meets a particular requirement, R1 may waive that requirement.
- b. When the specification calls for “Brand Name or Equal,” the brand name product is acceptable. Other products will be considered with proof that the other product meets stated specifications and is equivalent to the brand product in terms of quality, performance and desired characteristics.
- c. R1 will determine whether the Proposal complied with the instructions for submitting Proposals. Except for late submissions, and other requirements that by law must be part of the submission, R1 may require that a Respondent correct deficiencies as a condition of further evaluation.

9. RESPONSIBILITY: A responsible Respondent is one who has the capability in all respects to perform fully the contract requirements and who has the integrity and reliability that will assure good faith performance. R1 determines whether the Respondent is a “responsible” Respondent; a Respondent with whom R1 can or should do business. For example, R1 may consider the following:

- a. A “prohibited bidder” includes any person assisting an employee of R1 by reviewing, drafting, directing, or preparing any invitation for bids, a request for proposal, or request of information, or providing similar

assistance unless such assistance was part of a publicly issued opportunity to review drafts of all or part of these documents. For purposes of this section, an employee of R1 means one who, by the nature of his or her duties, has the authority to participate personally and substantially in the decision to award a contract. No such person or business shall submit specifications to an agency unless requested to do so by R1. No person or business that contracts with the agency to write specifications for a particular procurement need shall submit a bid or proposal or receive a contract for that procurement need.

- b. Nothing herein is intended to prohibit a vendor from bidding or a Proposal from supplying developing technology, goods or services after providing R1 with a demonstration of the developing technology, goods, or services; provided the subject of the demonstration to R1 represents industry trends and innovation and is not specifically designed to meet R1's needs. Nothing herein is intended to prohibit a person or business from submitting a bid or Proposal or entering into a contract if the person or business: (i) initiates a communication with an employee to provide general information about products, services, or industry best practices and, if applicable, that communication is documented in accordance with Section 50-39 of the Illinois Procurement Code or (ii) responds to a communication initiated by an employee of R1 for the purposes of providing information to evaluate new products, trends, services, or technologies.
 - c. Other factors that R1 may evaluate to determine responsibility include, but are not limited to: political contributions, certifications, conflict of interest, financial disclosures, taxpayer identification number, past performance in business or industry, references (including those found outside the Proposal), compliance with applicable laws, financial responsibility, insurability, effective equal opportunity compliance, payment of prevailing wages if required by law, capacity to produce or sources of supply, and the ability to provide required maintenance service or other matters relating to the Respondent's ability to deliver in the quality and quantity within the time and price as specified in this solicitation.
 - d. Awarded Respondents must at all times have financial resources sufficient, in the opinion of R1, to ensure performance of the contract and must provide proof upon request. R1 may require a performance bond if, in the opinion of R1, it ensures performance of the contract. R1 may terminate the contract, consistent with the termination for cause provision of the contract, if the vendor lacks the financial resources to perform under the contract.
 - e. R1 may require that a Respondent correct any deficiencies as a condition of further evaluation.
- 10. PRICE:** R1 identifies the the lowest priced Proposal that meets the responsibility and responsiveness requirements, viz., which proposal provides the smartest budget, accounting for projected development costs, carrying out the statement of work to meet R1's specifications, and discounts, potential ownership, royalty arrangements, or other value added offerings.

ACKNOWLEDGEMENT OF TERMS

Attached this form to your response.

1. **PUBLICATION:** R1 publishes procurement information, including solicitations, awards, and amendments, to its website <http://r1planning.org/procurement> and large purchases to DemandStar at www.demandstar.com. Respondent is responsible for monitoring the site for updated information. R1 will not be held responsible if Respondent fails to receive update notices should they occur. If R1 provides information on its website that is different or in conflict with the information entered in DemandStar, then the information on the R1 website is presumed to represent R1's intent.
2. **TERM OF CONTRACT:** The prospective contract has an initial term of 12 months. If a start date is not identified, then the term shall commence upon the last dated signature of the Parties.
 - a. Vendor shall not commence billable work in furtherance of the contract prior to final execution of the contract except when permitted in writing by the Agency.
 - b. In no event will the total term of the contract, including the initial term, any renewal terms and any extensions, exceed ten (10) years.
 - c. Any renewal of the contract is subject to the same terms and conditions as those which apply to the initial term of the contract, unless otherwise provided in the pricing section. R1 may renew the contract for any or all of the option periods specified, may exercise any of the renewal options early, and may exercise more than one option at a time based on continuing need and favorable market conditions, when in the best interest of R1. The contract may neither renew automatically nor renew solely at the Vendor's option.
3. **RESPONDENT PERFORMANCE.** The vendor agrees to perform its obligations demonstrating quality workmanship and completion of all work in a timely manner as shall be judged and determined by R1-designated staff.
4. **TERMINATION FOR CAUSE:** R1 may terminate the contract, in whole or in part, immediately upon notice to the Vendor if: (a) R1 determines that the actions or inactions of the Vendor, its agents, employees or subcontractors have caused, or reasonably could cause, jeopardy to health, safety, or property, or (b) the Vendor has notified R1 that it is unable or unwilling to perform the contract.
 - a. If Vendor fails to perform any material requirement of the contract to R1's satisfaction, it is in violation of a material provision of the contract. If R1 determines that the Vendor lacks the financial resources to perform the contract, then R1 shall provide written notice to the Vendor to cure the problem identified within the period of time specified in R1's written notice. If not cured by that date R1 may either: (a) immediately terminate the contract without additional written notice or (b) enforce the terms and conditions of the contract.
 - b. For termination due to any of the causes contained in this Section, R1 retains its rights to seek any available legal or equitable remedies and damages.
5. **TERMINATION FOR CONVENIENCE:** R1 may, for its convenience and with thirty (30) days' prior written notice to Vendor, terminate the contract in whole or in part and without payment of any penalty or incurring any further obligation to the Vendor. Upon submission of invoices and proof of claim, the Vendor shall be entitled to compensation for supplies and services provided in compliance with the contract up to and including the date of termination.
6. **AVAILABILITY OF APPROPRIATION:** The contract is contingent upon and subject to the availability of funds. R1, at its sole option, may terminate or suspend the contract, in whole or in part, without penalty or further payment being required, if (1) the Illinois General Assembly or the Federal funding source fails to make an appropriation sufficient to pay such obligation, or if funds needed are insufficient for any reason (30 ILCS 500/20-60), (2) the

funding governmental entity decreases the Agency's funding by reserving some or all of the Agency's appropriation(s), or (3) the Agency determines, in its sole discretion that a reduction is necessary or advisable based upon actual or projected budgetary considerations. Contractor will be notified in writing of the failure of appropriation or of a reduction or decrease.

7. PAYMENT TERMS AND CONDITIONS

- a. **LATE PAYMENT:** Payments, including late payment charges, will be paid in accordance with the State of Illinois Prompt Payment Act and rules when applicable. Payment terms contained in Vendor's invoices shall have no force or effect.
- b. **EXPENSES:** Prior to the execution of a contract by the Parties, even if the effective date of the contract is prior to execution, R1 will not pay for supplies provided or services rendered, including related expenses, incurred.
- c. **PREVAILING WAGE:** As a condition of receiving payment Vendor must (i) be in compliance with the contract, (ii) pay its employees prevailing wages when required by law, (iii) pay its suppliers and subcontractors according to the terms of their respective contracts, and (iv) provide lien waivers to R1 upon request. Examples of prevailing wage categories include public works, printing, janitorial, window washing, building and grounds services, site technician services, natural resource services, security guard and food services. The prevailing wages are revised by the Illinois Department of Labor (DOL) and are available on DOL's official website, which shall be deemed proper notification of any rate changes under this subsection. Vendor is responsible for contacting DOL at 217-782-6206 or (<https://www2.illinois.gov/idol/Pages/default.aspx>) to ensure understanding of prevailing wage requirements.
- d. **FEDERAL FUNDING:** The contract may be partially or totally funded with Federal funds. If Federal funds are expected to be used, then the percentage of the goods/services paid using Federal funds and the total Federal funds expected to be used will be provided to the awarded Vendor in the notice of intent to award.
- e. **INVOICING:** By submitting an invoice, Vendor certifies that the supplies or services provided meet all requirements of the contract, and the amount billed and expenses incurred are as allowed in the contract. Invoices for supplies purchased, services performed, and expenses incurred through June 30 of any calendar year must be submitted to R1 no later than July 10 of that calendar year; otherwise Vendor may be required to seek payment through the Illinois Court of Claims.
- f. Vendor shall not bill for any taxes unless accompanied by proof that R1 is subject to the tax. If necessary, Vendor may request the applicable Agency's tax exemption information.
- g. Vendor shall invoice at the completion of the contract. Exceptions to this term are allowed when, as identified in the contract, invoicing is tied to milestones, deliverables, or other invoicing requirements agreed to therein.

8. ASSIGNMENT: The contract may not be assigned or transferred in whole or in part by Vendor without the prior written consent of R1.

9. SUBCONTRACTING

- a. Subcontractors are allowed. A subcontractor is a person or entity that enters into a contractual agreement with a total value of \$50,000 or more with a person or entity who has a contract subject to the Illinois Procurement Code pursuant to which the person or entity provides some or all of the goods, services, real property, remuneration, or other monetary forms of consideration that are the subject of the primary contract, including subleases from a lessee of a contract. If subcontractors are to be utilized, Respondent must identify subcontractors expected to receive \$50,000 or more annually under the contract and disclose the expected amount of money each will receive.
- b. The Respondent shall notify R1 of any additional or substitute subcontractors hired during the term of the contract. If required, Respondent shall provide R1 a copy of all such subcontracts within fifteen (15) days after execution of the contract or the subcontract, whichever occurs later.

- c. Any subcontracts entered into prior to award of the contract are done at the sole risk of the Respondent and subcontractor(s).

For purposes of this section, subcontractors are those specifically hired to perform all or part of the work covered by the contract. Vendor must receive prior written approval before use of any subcontractors in the performance of the contract. Vendor shall describe, in an attachment if not already provided, the names and addresses of all authorized subcontractors to be utilized by Vendor in the performance of the contract, together with a description of the work to be performed by the subcontractor and the anticipated amount of money that each subcontractor is expected to receive pursuant to the contract. If required, Vendor shall provide a copy of any subcontracts within fifteen (15) days after execution of the contract. All subcontracts must include the same certifications that Vendor must make as a condition of the contract. Vendor shall include in each subcontract the subcontractor certifications as shown on the Standard Certification form available from R1. If at any time during the term of the Contract, Vendor adds or changes any subcontractors, then Vendor must promptly notify, by written amendment to the Contract, R1 Purchasing Officer or the Chief Procurement Officer of the names and addresses and the expected amount of money that each new or replaced subcontractor will receive pursuant to the Contract.

- 10. **RETENTION OF RECORDS:** Vendor and its subcontractors shall maintain books and records relating to the performance of the contract and any subcontract necessary to support amounts charged to R1 pursuant the contract or subcontract. Books and records, including information stored in databases or other computer systems, shall be maintained by the Vendor for a period of three (3) years from the later of the date of final payment under the contract or completion of the contract, and by the subcontractor(s) for a period of three (3) years from the later of final payment under the term or completion of the subcontract. If Federal funds are used to pay contract costs, the Vendor and its subcontractors must retain their respective records for five (5) years. Books and records required to be maintained under this section shall be available for review or audit by representatives of: the procuring Agency or other governmental entities with monitoring authority, upon reasonable notice and during normal business hours. Vendor and its subcontractors shall cooperate fully with any such audit and with any investigation conducted by any of these entities. Failure to maintain books and records required by this section shall establish a presumption in favor of R1 for the recovery of any funds paid by R1 under the contract or any subcontract for which adequate books and records are not available to support the purported disbursement. The Vendor or subcontractors shall not impose a charge for audit or examination of the Vendor's or subcontractor's books and records. 30 ILCS 500/20-65.
- 11. **TIME IS OF THE ESSENCE:** Time is of the essence with respect to Vendor's performance of the contract. Vendor shall continue to perform its obligations while any dispute concerning the contract is being resolved unless otherwise directed by R1.
- 12. **NO WAIVER OF RIGHTS:** Except as specifically waived in writing, failure by a Party to exercise or enforce a right does not waive that Party's right to exercise or enforce that or other rights in the future.
- 13. **FORCE MAJEURE:** Failure by either Party to perform its duties and obligations will be excused by unforeseeable circumstances beyond its reasonable control and not due to its negligence including acts of nature, acts of terrorism, riots, labor disputes, fire, flood, explosion, and governmental prohibition. 19. **SOLICITATION AND EMPLOYMENT:** Vendor shall not employ any person employed by R1 during the term of the contract to perform any work under the contract.
