- b) **Portal Conversion Schedule:**
 - Subscription Site is anticipated to be updated Monday, January 15th during the holiday.

 - Ms. Stromberg indicated that they are still working on getting all entities on the same mile marker.

NEW BUSINESS

- a) **Tiling Scheme/Aerial Photography:**
 - Mr. Gregg reported that the 2018 aerial photography is up on the website. Unfortunately, the tiling at ESRI zoom threshold was taking up a large amount of space and running into one road block after another. The decision was made to tile at the old levels and

projections to avoid future issues. It's anticipated to be switched over on Monday during the holiday when most of the member's offices will be closed and would cause the least disruption in service.

b) Esri 2019 User Conference:

- Mr. Gregg stated that WinGIS offer of paying for the hotel and your organization pays your airfare and per-diem. If anyone is interested in attending the Esri 2019 User Conference please contact Sarah.
