ACTION ITEMS

PRESENTATIONS & PUBLIC PARTICIPATION

OLD BUSINESS

a) Data Pricing Update

Mr. Gregg notified the committee that the data pricing had been updated as planned. The website now reflects the current prices and no Subscription members cancelled their membership in light of the change.

NEW BUSINESS

b) Chemtool Fire Response

Sarah Stromberg provided the committee with a recap of her time in the EOC providing maps to aid in the County and IEMA's response to the Chemtool fire in Rockton.

c) Token Issue/login prompt

Mr. Gregg apologized to the committee for the mix-up in implementing the new annual token that prompted users for login credentials. He committed to making the change a few days earlier than scheduled to avoid this issue next year.

d) Potential Intern/Part Time Programmer

Mr. Gregg informed the committee that the R1PC was looking to hire an intern or even full time programmer to be shared by WinGIS and the R1PC – thus making this person, for our purposes, a part time employee. An offer has been made to a candidate and if she accepts, will start mid-September.
